## Summary

### About this Release

#### ABOUT THIS RELEASE

A reference work providing a comprehensive statistical and descriptive portrayal of SA's physiography, history, institutions, and social and economic conditions. Separate chapters are devoted to natural environment; environmental management; history and chronology; government; population; social environment; education and science; labour; land settlement and development; housing and construction; agriculture, forestry and fisheries; manufacturing, mining and energy; commerce; transport and communication; public finance; and private finance. Includes a regional study and a statistical summary.
